

THANK YOU!

From time to time, we make donations to local charities from our event proceeds.

And of course, you're helping these worthy causes too, just by coming along and having a good time, so we thought you'd like to see a couple of thank you letters we've recently received as a result, so here they are!

Do let us know if there's a local charity you'd like us to consider for a similar donation.

"On behalf of everyone at St Francis Hospice and especially the patients and their families, I would like to thank you for the donation of £100 following your recent event.

This year more than ever we are relying on the kindness and generosity of people in the community like yourselves to help us raise the funds needed to continue to provide all our services free of charge to those in need. Thank you."

"Thank you for your very generous donation of £50.

This is an excellent amount and we are very grateful for your support of the Princess Alice Hospice.

Please know that the money will be put to very good use and will help pay for the provision of specialist palliative care services for patients, and much needed support for their carers, families and friends."
